

Two Missing School Girls Return Home

Two Torrance High school coeds, missing from homes for nearly three weeks, were this week returned to their parents.

JoAnn Harlan, 15, daughter of Mr. and Mrs. Leo Harlan, 2121 Andro Ave, voluntarily returned home Sunday evening. Fourteen-year-old Margaret Epifanto, daughter of Mr. and Mrs. Tony Epifanto, 1732-D Cabrillo Ave., was picked up by two Torrance police officers, Sgt. T. A. Morris and Officer John Hahn, at a local ice cream parlor later the same evening.

Both girls disappeared from Torrance High school at noon on Nov. 18. They were seen entering a red convertible automobile by classmates.

After their disappearance, the girls were seen locally on two occasions, but were not caught. Police listed the girls as run-aways.

The Epifanto girl was turned over to her parents.

New Lions Club Awaits Chartering

Plans for the presentation of a club charter were discussed at Monday's meeting of the newly-formed Lomita-Harber City Lions Club.

Tentative date for the charter party, to be combined with a dinner-dance, has been set for Jan. 10.

Sponsoring organization for the new service club is the Torrance Lions group, of which Milt Isbell is president.

Ray H. Ferrin has been named president of the new club, and J. D. Cowger is secretary-treasurer.

Ted Witz is in charge of arrangements for the charter party.

Blood Mobile to Visit Here Soon

The American Red Cross Blood Mobile will make its quarterly visit to Torrance during the month of January, according to Mrs. Don Hyde, co-chairman of the blood recruitment program.

The exact date of the visit will be announced soon, she said.
